Ever Wonder? Questions: Ever wonder how many different colors of birds live around us? (Try to find red, blue, yellow, orange, black and brown over the next couple of weeks.) What are those bright red birds called? (Cardinals. They are the state bird of Virginia!) Where do birds go in the winter? (Some fly south; some nest in the trees. Cardinals nest in trees.)

Postcard Picture: Print this page, cut out the picture and tape it to your little scientist's postcard.
