EVER WONDER . . . WHAT HAPPENS AT A C-ZONE PARTY?

For the first 45 minutes or so, kids will be entertained with awesome demonstrations and hands-on experiments in our kid-sized science lab. They then will pass through the secret door into the party room (the secret door has a biometric lock that will only open with the birthday kid's thumbprint!), where they'll make drink concoctions and enjoy whatever additional refreshments you provide, such as cake and ice cream.

C-Zone parties are 90-minutes long, and cost \$295 for up to 15 kids. Parties are for ages 2-11, and include:

- Invitations, place settings and balloons.
- Drinks (kids make drinkable concoctions with beakers and test tubes)
- Goody bags – includes items made in the lab (see party themes for details), test tube, C-Zone tattoo and balloon.
- A 20% off coupon to buy additional goody bag items in our toy store (good toward items \$5 and less).
- A Curiosity Zone T-shirt for the birthday kid.
- ALL KIDS AGE 2 AND UNDER MUST BE ACCOMPANIED BY AN ADULT AT ALL TIMES.

PARTY POLICIES.

- Party registration requires a \$125 non-refundable deposit. Once a deposit has been made, no changes to the date or time of the party may be made. Full payment must be made on the day of the party.
- Please do not arrive more than 15 minutes before your party; you will not be allowed into the party area.
- Please time your party so that you use only your allotted 90-minutes in the party area. If you or your guests remain in the party area more than 10 minutes past the end of your party, we will need to charge an additional \$25 per 10 minutes of overage. Timing is very important to our business, and it is essential that we have enough time between parties to clean up and set up. Thank you for understanding!
- Additional guests are \$15 each, up to an absolute maximum of 20. Allowing more than 20 kids to participate in a party can put both our staff and your guests at risk. **Should you include more than 20 kids in your party, regardless of circumstances, you will be assessed an additional \$50 per child.**
- Guests under 4 years of age must be under adult supervision at all times while in the lab.
- Children who are not included in the guest count should not participate in the lab or party room activities.
- Party fees include up to 15 invitations. Additional invitations may be purchased for \$.25 each.
- We will provide drinks, paper products, goodie bags and utensils for the number of kids for whom you have paid a guest fee. We're also happy to provide additional place settings and goodie bags for a small extra fee.
- We reserve the right to disallow any refreshments or decorations that create an unusual amount of mess.
- By registering for a party at the C-Zone, you are renting our facility and securing our entertainment services; however, you remain responsible for your guests at all times while in the Curiosity Zone facility.
- **WINTER WEATHER:** We reserve the right to close our facility and refund your money if we believe weather conditions present a significant danger to our employees or customers.
